Here are all of our NCAAF betting tips for today and tonight. 1 million high school athletes and 70,000 college athletes play the sport in the

United States annually, almost all of them men, with a few exceptions. American football is a unique sport -- it is a game about gaining territory as

much as it is about scoring points. When two teams step onto a football field, each is battling for every inch it c

an take from the other.

Each team wants to defend the field that is behind it and invade the field in f ront of it.

Now there is no doubt that with so many variables, betting on sport is risky bu siness.
