The Legislative Council has passed a bill ordering the Hong Kong Jockey Club to pay an extra HK\$12 billion in tax on its football betting earnings over the next five years to swell government coffers, despite earlier objections from the club.

and the external competition faced by the local football betting business.

Finance Secretary Paul Chan meets the press after delivering the 2023 budget on February 22, 2023.

Shortly after Chan's budget address, the club urged authorities not to impose any increases in betting duty, saying its horse-racing duty rates were already among the "highest in the world," at 72 to 75 per cent.

Tommy Cheung Yu-yan, chairman of the Liberal Party - himself an honorary voting member of the Jockey Club - said other sports, including basketball, could also be subject to betting duty.

Vincent Cheng of the Democratic Alliance for the Betterment and Progress of Hong Kong said the move was considered due to "exceptional circumstances," and acknowledged the club's charitable contributions and its role in promoting sports and culture.

The Florida Seminole Gaming Compact briefly launched legal sports betting in Florida for five weeks before a legal challenge halted wagering.

Spread: The most common form of betting on team sports, the spread is designed to create a level playing field.

5-point favorite, that means that it has to win by eight points or more for bets on Boston to cash.

Let's say you believe two seven-point favorites will win their games outright but you are unsure whether they can cover the touchdown spread.

Using a six-point teaser would reduce each team to a -1 favorite, meaning they only have to win by two points.
