Artists Trust UnitedMasters to Get Their Music on Amazon Music

UnitedMasters empowers independent artists and helps them take control of their careers, enabling them to reach larger audiences and be heard around the world.

UnitedMasters was founded in 2017 with a mission of allowing artists to earn a fair share of the cultural value that they create.

Yes, Amazon Music pays artists for streaming of their music on the platform. The

amount of revenue an artist earns from streaming on Amazon Music is determined

by a variety of factors, including the number of streams their songs receive and

the artist's royalty rate.

Also, it's worth noting that the service is free to use, but some features like

promotional tools or access to metrics may require a subscription or additional

fees.

WHAT IS THE DIFFERENCE BETWEEN PRIME MUSIC AND AMAZON MUSIC UNLIMITED?

No state governments had previously directly run gambling operations to raise money.
