When you go to a real casino, you may only have one or two options for Blackjack

You can also play between three different styles for the deck of cards, and use

toggles for sound, music and labels.

In second place on the Blackjack games popularity rankings, we have Single Deck

Blackjack .

Quite often, the odds will be cranked in the house&#39;s favor by changing the

Blackjack payouts to 6:5.

Our online version of Single Deck Blackjack uses the standard 3:2 payout for ge

tting a natural, meaning you&#39;ll get \$15 from a \$10 wager instead of \$12 like

you would with 6:5 Blackjack
