The Over/Under is a set of odds in which you bet on whether the combined score w

ill add up to more or less than the projected total number set by oddsmakers.

How to bet the Over/Under

A.

Clippers and L.

How is the Over/Under determined?

Weather can have a significant influence on scoring production in outdoor sports

like football and baseball, with wind serving as the most impactful conditions.

What happens if the Over/Under is exact? If the score equals the Over/Under bett

ing total exactly, the bet is graded as a push and wagers are returned.

What does total mean in betting? Total is another term for Over/Under odds, bett

ing on the total combined score.

e.

Currently, at CardzMania, whenever a new round starts, the decks are shuffled c

ompletely, including the cards from the previous round.

In future, we plan to implement the functionality when the same deck will be re

used across multiple rounds to mimic how Blackjack is played in real life casino

s.Ranking of Cards

Players should choose the option that gets their hand as close to 21 as possibl

e without going over.

If a player's hand equals 21, they get a blackjack and receive 3:2 on their

bet.

Players determine a set amount of points when the game ends.Rounds

If a player is confident in their hand, they can double their bet.Split
