There's a new type of knockoff that's making it even harder to ensure your Gucci handbag or Yeezy sneakers are authentic.

Most of these fakes weren't fooling anyone.

But superfakes are not your Canal Street knockoff.

Chinese manufacturers have become increasingly skilled at replicating designer goods in such detail that even the most experienced authenticators can struggle to decipher a superfake.

A dupe is simply a cheaper product that looks similar to a designer item, but does not infringe on a brand's intellectual property or trademark.

Selling counterfeits is illegal in the US and in some countries, such as France and Italy, it is illegal to wear them.

The price of a real Hermes Birkin bag starts at \$10,000, while a superfake can cost up to \$2,000.

Buying a superfake handbag also isn't as easy as purchasing an average knock
