South Dakota Online Sports Betting Dead for 2023, Protecting Deadwood Overrides Effort

Legislative efforts to authorize online sports betting in South Dakota have bee n defeated for 2023.

Sports betting and casino gambling are legal in South Dakota, but bets can only be wagered in person at licensed sportsbooks inside Deadwood casinos or at gamin g facilities on tribal lands.

Carl Perry (R-Brown).

"I don't think anyone would contest the idea that if you turn something from illegal to legal, more people are going to do it," Woods declared. Each of the historic Gold Rush town's 17 brick-and-mortar casinos is eligib

le for a sportsbook license in exchange for a \$5,000 fee.

Mustang Sally's isn't the only sportsbook to have been found out of compliance.

The BetMGM Sportsbook at Tin Lizzie's, Gold Dust Sportsbook, and BetMGM Sportsbook at Cadillac Jack's were hit with regulatory fines in 2021 for accepting prohibited bets above \$1,000.

The database contained records involving roughly 200,000 - 250,000 users and Ama zon marketplace vendors including user names, email addresses, PayPal addresses, links to Amazon profiles, and both WhatsApp and Telegram numbers, as well as records of direct messages between customers happy to provide fake reviews and traders willing to compensate them.

The database, and messages contained therein, revealed the tactics used by dubio us sellers. One method is whereby vendors send a customer a link to the items or products they want 5-star reviews for, and the customer will then make a purcha
