This can be accomplished by getting Blackjack (first two cards equal 21) without dealer Blackjack, having your final card count be higher than the dealers without exceeding 21, or by not exceeding 21 and dealer busting by exceeding their card count of 21.

In Blackjack, or 21, the player must decide what to bet before the hand.

Once you click "deal"; your bet is set, and two cards are dealt to the player face up and two cards are dealt to the dealer, one face up and one face down.

Once the Blackjack hand is played out, three outcomes can occur.

First you can win (as previously described), secondly you can lose (bust hand) Tj T\* BT /F

It will not always win, but it is the best statistical chance you have, so give

it a chance if you are stumped!

Keep playing 247 Blackjack until your money is all gone - then restart! No need

to wait additional time for more chips! If you are on a streak and need to leave

your computer, no worries! Your fabulous money pile will be kept until you return!

Just be sure to Resume your game when asked! As you win money watch your chips

grow in denominations! Your highest money count will always be kept as your high

record too, just so you always have something to strive for!

Here you can select the number of decks you'd like to use, whether to auto

bet your previous bet, whether a dealer hits on a soft 17 (soft seventeen is when) Tj T\* BT /F
