The next day I realized DraftKings had gone back and actually taken the money a way.

I asked them about this and they told me that the bet wasn't supposed to be up and it was a mistake on their end.

This past weekend I meant to put in a prop bet.

I usually wager between \$10-\$30, nothing crazy.

Instead of hitting 3 0, I accidentally hit the +100 above the 3, and the 8 instead of the 0.

I have never come close to betting anything like this and I immediately panicked.

### Is Online Sports Betting Currently Legal in California?

On Monday the 14th of May the United States Supreme Court effectively overturned the federal ban that made sports betting illegal in almost all US states.

Live poker rooms are available throughout California and horse-racing is legal and very popular.

The Supreme Court overturning PASPA was a game-changer and studies clearly show a significant number of Californians support their freedom to make safe and secure sports wagers.

### NBA Basketball Betting in California

As hockey is a low scoring game, money line bets are common, as is over/under style betting.
