Placing wagers according to the usual systems, without trying to cheat the bookie, is the best way of sports betting.

This is especially true if it meant that certain parties, who knew of the setup, placed large bets on the outcome.

A common practice for many seasoned gamblers is to use more than one sportsbook. When it comes to recommending a tactic or strategy, we can't say that anything illegal or unethical is at the top of the list.

Once you've mastered the theory, put it into practice and place small bets until you know exactly how the strategy pans out in real life.

5 Quick tips The favourite doesn't always win

It might seem logical, but it's difficult for punters to ignore the price that bookies have given.

Consider placing bets on other available markets.
