Sports betting is not available in Florida at this time.

Ron DeSantis announced in April 2021 that he had signed off on a new compact with the Seminole Tribe of Florida.

At that time, it appeared that Florida was months away from becoming one of the largest states with legal sports betting.

The scope and language of the Seminoles' new compact were at the heart of the e cardrooms' complaints.

Unfortunately, none of the states bordering Florida have online sports betting at this time.

Are Florida retail sportsbooks operational?

The Miami Dolphins haven't been as successful as Tampa Bay of late, although in their earlier history, the Fins were NFL elite.

NFL futures bets are popular too, such as on the Panthers to win the Atlantic Division, another Eastern Conference title or odds to win the Stanley Cup.
