The objective in Switch is to be the first player to get rid of all your cards. It is very similar to the games Crazy Eights and UNO®, it's basically UNO® played with a normal deck.Basic rules 2: If a player plays a two, then the next player must draw two cards and cannot play any cards, UNLESS he has a two as well in which case he can play it and the next player him must draw 4 cards. Any special cards put out after a 7 play will not have their normal effect, e. 10: Reverses the direction of the game. If player 1 played 2 Black Jacks then player 2 can either play one Red Jack and draw 5 cards, or play two Red Jacks and draw no cards. When a player plays his last card he wins the game. When playing this game in real life the player must also call out "last ca rd" when he has only one card left, but that doesn't work well in compu ter games and so is not included.
