

chanel lambskin flap bag

The Buffalo Bills look to make a statement that they're still the top team in the AFC East with a road win against an improved New York Jets team in Week 1. 5-point road favorites, which looks about right considering that they're the more proven team and we could see Rodgers take some time to adapt to his new te

am.

75

The Jets strike me as the type of team that will take some time to get going.

Rodgers is an obvious upgrade at quarterback, but he'll have to acclimate t

o his new supporting cast.

Monday Night Football Prediction Bills 24, Jets 20

They should have a deep front seven that also includes Greg Rousseau, Ed Oliver

, and Leonard Floyd.
