If you win, you would win \$45.

On one sportsbook, it may offer you -110 odds, and another may offer you greater odds at +100, which would give you a bigger payout.

Now that HB 347 is the law of the land, sports betting is fully legal in the Tar

Heel State – online AND in-person, but we will still have to wait a few months

before placing our wagers online.

As with many other table games at casinos, betting systems can be applied to reduce

the losses you’ll make from a game, and hopefully also increase your winnings.

The 1-3-2-4 strategy is all about how you increase your wager.

The idea behind this system is that by adjusting the amount you bet in this way

, you should be covering yourself for any losses you make.

Of course, no strategy is completely foolproof, and the further you can make your

budget stretch, the more likely you are to see a profit. One-sided

You should continue to do this until you’ve lost three times.

At this point, you should stop and wait until your choice starts to win again,

before resuming betting.

The Paroli strategy is one of the few positive betting systems, where you increase

your bet each time you win.

There really isn’t much more to it.
