Whether your niche is comedy, fashion, or personal finance, the important part i

s that you stick with your niche. Otherwise, you could alienate your audience, w

ho expect certain types of content.

Always be on the lookout for trends that fit your niche. TikTok is full of new t

rends, and you don't have to participate in all of them. But if you jump on

a relevant trend while it's still fresh, you could reach a lot of new users.

Use Hashtags

Hashtags make it easier for other users to discover your videos. This can help y

ou reach more people and grow your audience. Make sure you're using hashtags

that are specific to your type of content.

A reusable silicone bottle opener so you don't have to be afraid of droppin

g your bottle in the trash.

This bottle opener is just as good.

I was surprised to find out that there was no lids on the side of the bottle.

And I love the fact that it comes with the holder that it can be folded up.
