Over/Under Goals

Since there are few goals allowed in matches, the only available betting option in virtual football's over/under goals market is over 1.

Take it slow when betting on virtual football, don't put in the bulk of your money.

Instead bet lower amounts and shorten the length of your gaming sessions.

Bet on a few selections.

Virtual Football Betting Strategy

This is because a full analytic view helps you to see clearly which teams are standing and their recent form as well, an information that helps you accurately predict the outcome of the upcoming game, depending on the opponent your preferred team plays next.

The Amputee Mode

What if I want a more detailed explanation of a betting tip?

You will see many tip comments by each betting selection.

Each will be trying to convince you to follow their tip.

For discussion around the best bets for each event, we have a very friendly and busy sports betting tips forum.

Check out the OLBG Sports Betting Blogs before placing your bet at your favourite sports betting sites.

Once you have found the bets you want to place, the next choice is where to place them.

OLBG has reviewed all the UK licensed bookies, as have many of our users.

If you are opening a new account then also check out the latest betting offers.
